

Be Mine Valentine's Page

Materials Suggested:

- Epson Matte Paper Heavyweight or Epson Double-Sided Matte Paper
- Craft Scissors, adhesive or glue
- An Epson Stylus Colour printer

Patterned Pages

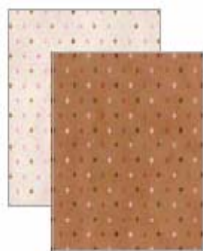

These are full pages of themed designs that can be used for scrapbooking, wrapping paper or greeting cards. To print a patterned page - select your choice of background patterns and download. Most patterns come in 2 versions: fully vibrant colour and muted (lighter) colour.

Step 1: Click on a favourite pattern to open as a .jpg, or import it into your preferred program. Select the paper size you want to print in the print driver.

Step 2: After you click "Print", click on "Yes" to continue printing, even though the margins are set outside the printable area of the page. The printer will adjust to fill the size you have selected.

Scrapbooking Pages

Step 1: Click on the desired patterned pages to open as .jpgs or pngs, or import into your preferred layout or photo editing program.

Step 2: Print your patterned pages. Remember to choose the correct paper size and paper type setting in your printer driver.

Step 3: Journal and embellish your pages.

To Create Your Scrapbook Pages Digitally

To create your pages digitally open or import the coordinating files and embellishments **(in .png format) and add them to your layout.** Add your digital photos, and crop or size to fit and personalize your pages with headlines, names and journaling. Once your personalizing is complete, print your pages. You can then embellish the pages in the traditional way.

For maximum archivability, we recommend printing your pages onto genuine Epson photo paper. Printed with Epson inks and stored in an album, your pages will last up to 200 years, so that all of your efforts can be enjoyed for generations to come.
